Cover Letter.

Dear [Hiring Manager's],

I am writing to express my interest in the [ Full stack Front end Developer ] role at [Juvenilia Technology ]. With a strong academic foundation in Electronics and Communication Engineering (CGPA: 7.8) from Karpagam College of Engineering and hands-on project experience in web development, Java programming, and database management, I am confident in my ability to contribute effectively to your team.

During my academic journey, I developed projects such as a Food Ordering System using HTML, CSS, JavaScript, and React.js, and an E-Healthcare Management System leveraging Java and MySQL with JDBC. These projects enhanced my skills in frontend development, error debugging, user experience design, and database connectivity, while also instilling a strong problem-solving mindset. Additionally, I hold certifications in Java, Web Development, React.js, and IoT, which highlight my dedication to continuous learning and adapting to emerging technologies.

I look forward to the possibility of contributing to [Juvenilia Technology]'s success.

Sincerely,

Sathish Sharma J
